# WELCOME TO 2025 - XL SUMMER CAMP!!!!

Dear Camp Parents and Guardians,

I want to take this opportunity to welcome you to our summer program and thank you for entrusting your child's care with us this summer. We assure you that we will make every effort to make this a positive experience for both you and your child. XL Summer Camp wants our campers and counselors to be part of a safe, happy, and fun environment that shares a common set of core values. These core values are interwoven into camper and counselor relationships as well as our daily activities and decision making, in hopes of instilling a lifelong code of positivity, respect, and kindness.

This summer marks the 24th season for our summer camp. Every summer we have over 950 campers in our program, with approximately 300–525 campers attending each day and we expect to have the same this year. This past summer we sold out before camp even started, a true testament to our incredible staff, campers, and families! Since last summer, we have worked diligently to improve our program, and we have many new and exciting plans for our campers. We also have continued our partnership with CampSite, our online portal system! You will find that all of our processes will be more efficient and effective, which will enhance our overall camp experience. Also, our camp is licensed through the State of NJ Department of Health and Senior Services and receives an annual inspection. Our goal is to provide the safest possible environment for your child and the most fun summer! We are extremely proud of our camp staff, many who return year after year.

The 2025 Summer Camp "Parent Handbook" contains all of the information about our summer camp program. Please review it carefully as it will answer many of your questions and help you to better understand our program and our camp policies. Please remember that these policies are in place for a reason. **Our main goal is to keep all campers SAFE & HAVING FUN.** We also encourage you to go over these policies with your child to ensure your child's camp experience is a positive one. Returning camp parents should also review this information, as changes and additions have been made from previous years.

You can expect to receive a pre-camp email by June 9, 2025, with any final information about our camp program along with a copy of our "Meet the Staff" guide to introduce you to our incredible staff. Please do not hesitate to contact me with any questions and looking forward to another amazing summer!

Best Regards,

*Wayne Murschell*

These events will not occur during our normal summer camp hours (only during extended care hours).

### Camp Office Business Hours

If you have questions about your camp schedule, payments, or your camp account, please call the camp office during business hours. You can also email the camp office: [Wayne@xlsportsworld.com](mailto:Wayne@xlsportsworld.com). Calls and emails left after business hours will be answered on the next business day.

### Questions/Concerns

If you have any questions or concerns regarding your child's camp experience, the Camp Administrator, Wayne Murschell, is available during the day and can be reached in person, by phone or email. You may also speak to one of our Camp Directors or Assistant Directors when dropping off or picking up your child. If you have an urgent matter during the camp day, please ask for the Camp Administrator.

### Camp Staff

Our summer 2025 staff includes counselors consisting of professional educators (many of whom hold advanced degrees), current high school and middle school coaches, graduate students, and undergraduate students. We have many former campers working at the camp who are now teachers or are attending college. All staff members over the age of 21 are certified in CPR for the Professional Rescuer, go through an extensive orientation, and have background checks completed by the State of NJ.

Under the direction of the Camp Administrator, Wayne Murschell, there are currently eight Directors and several Assistant Directors. Our Directors and Assistant Directors are teachers who have a ton of experience working with children and have worked at camp for many years.

All of our staff members love working at the camp and return year after year! Each summer, campers return to camp and see the same familiar faces. Most of our staff are over the age of 21. All of our camp families will receive a “Meet the Staff” booklet before camp starts with pictures and information about our staff. Because this is a summer camp and the campers are on vacation from school, each counselor ensures all our campers have the best time possible at summer camp, engaging their special interests, and helping them to foster new friendships.

**Camper to Counselor Ratios**

Grade	Camp Ratio	Field Trip Ratio	Water Trip Ratio
PK/K	6:1	5:1	4:1
1 <sup>st</sup> – 8 <sup>th</sup>	10:1	9:1	8:1

**Camp Groups**

- Campers are placed in separate groups according to the grade level they completed during the 2024-2025 school year. Campers that have just completed Pre-1<sup>st</sup> (T1) will be placed with the kindergarten group. If you think your child would feel more comfortable with the 1<sup>st</sup> grade group, please contact the Camp Administrator.
- **All other campers are placed in the grade they just completed, not the grade they will be entering in September 2025.** When filling out your camp paperwork, please make sure you fill in the correct grade.
- Children in different grades cannot be placed in the same group.
- Each camp grade will have several Head Counselors who will be with them throughout the summer. These are the counselors with the most experience at XL Summer Camp, most of whom are teachers.

**Daily Camp Rates:**

- \$69/first child or child with the most camp days selected
- \$66/second child or child with the second most days selected
- \$49/for each additional child
- **Sibling Rate is for siblings only**

**Employer Discounts**

We are pleased to offer a 10% discount on camp tuition for parents of campers who work for **the State of NJ, Subaru, Active Military, Virtua Health Systems, Cooper Health Systems, Lockheed Martin, Penn Medical, CMI Media Group and Compass, Inc., TD Bank, Holman, Jefferson Health, Campbell’s Soup.**

Please check the appropriate box on your Enrollment Contract on the online portal, CampSite. If proof of discount is not received before your child’s first day of camp, you will not receive the discount or have it retroactively applied. We will accept a copy of your ID badge, letter from an employer, email from your work email address or any other proof of employment. This is for tuition only and does not include the registration fee, Field Trips, Swimming Trips, or any other camp costs. The discount on CampSite is credited once we fully enroll your camper from our side.

## Referral Program

We are pleased to continue to offer our referral program to our camp families. Last summer, over 100 camp families took advantage of this program! If you refer a family to the camp that has never attended and they enroll for the 15-day minimum, you will receive a \$50 credit towards your tuition. The new camp family must enter your name during the online registration process. Only one referral credit will be issued for each new camp family that you have referred. Referral credits are issued the last week of July to ensure the family you referred finishes out their minimum 15 days.

## CAMP POLICIES AND PROCEDURES

### Enrollment Guide

The Enrollment Guide is located on our website. This is the section you will use to set your child's summer camp schedule. This is also where you will select any Field Trips, Swimming Trips or Enrichment Programs. You can only select one additional activity for each day, as they all happen at the same time. There is an extra charge for Field Trips, Swimming Trips and Enrichment Programs. Prices for additional activities can be viewed online - [or click here](#).

### Changing/Adding Days Policy

Once you have submitted your Enrollment Contract on the online portal, CampSite, you have until June 6th, 2025 to remove Summer Camp days from your original schedule. After June 6th, 2025, your schedule will be set for the summer and there can be no cancellations of any days/weeks selected. You are required to pay for the total number of days chosen from your selections online. We cannot deduct from the number of days originally selected for any reason.

We understand situations may arise that warrant a change in your schedule. We will make every effort to accommodate these changes based on availability. The Camp Administrator must approve any changes. Please email [Wayne@xlsportsworld.com](mailto:Wayne@xlsportsworld.com) for any change requests.

### To Add/Change Camp Days:

- Fill out a Schedule Change Request Form (available on our website and at the camp front desk), or email the camp office ([Wayne@xlsportsworld.com](mailto:Wayne@xlsportsworld.com)) with your request.
- Submit your request by 9:00am Wednesday for the following week. No Exceptions!
- You will receive an email confirming whether the request has been approved.

### Payments

- Payments made by cash or check are due each Wednesday by 9:00am based on your camp payment schedule.
- All "auto-pay" payments (Credit Card or ACH) are processed by 4:00pm each Wednesday based on your camp payment schedule.
- There are four separate types of payment plan options for you to pick. Payment Options include:
  1. Pay in Full
  2. 3 Week Payment Plan (June 11, 2025 will be the first payment date and will occur for 3 consecutive weeks - June 11, June 18, and June 25)

3. 6 Week Payment Plan (June 11, 2025 will be the first payment date and will occur for 6 consecutive weeks - June 11, June 18, June 25, July 2, July 9, and July 16)
4. 10 Week Payment Plan (June 11, 2025 will be the first payment date and will occur for 6 consecutive weeks - June 11, June 18, June 25, July 2, July 9, and July 16, July 23, July 30, August 6, and August 13)

**Special Note:** You will be charged based on your payment plan, not based on the number of days in a week your child attends. Payments will be set up more like a car payment (Week 1 = \$87; Week 2 = \$87; Week 3 = \$87, etc...)

- **Important Note\*\*Once you are fully enrolled and have been confirmed on our end, all approved discounts will be applied to your statement.**
- You must pay in full by your last week of camp, regardless of your payment plan.
- **If you need to make a change to the primary payment method on file, please do so before Wednesday at 9am on the online portal, CampSite. There is a 3% fee for all credit card transactions.**
- Changes to your credit card can be made by filling out the Payment Form at the camp front desk or changing it on the online portal, CampSite. You can also call the Camp Office during business hours.
- Please put your child's name, grade, and date on any payments handed in to the Front Office.
- If you are paying by credit card, please make sure that the money is available by 9:00am on Wednesday or you will be charged a late fee.
- If we do not receive payment by 9:00am, we will begin processing payments via the credit card on the online portal, CampSite, for the following camp week. It is not necessary to call to make a payment unless you are paying with a different credit card than the one on file.
- If you prefer to pay in full or make payments in advance, you may do so at any time.
- We accept all major credit cards.
- A \$30 fee will be charged to your account for all returned checks.
- A \$25 late fee will be charged to your account if payment is not received on Wednesday by 9:00am for the following week's camp tuition. This applies to declined credit card payments. If your credit declines on Wednesday, you have until the close of business to call and make payment. After Wednesday, you will be charged the \$25 late fee.
- Campers will not be permitted to attend camp if their tuition is not kept current.
- We will accept checks or credit card payments from another parent/3rd party; however, it is the responsibility of the parent that registers their child to obtain this information and be responsible for all payments due. If an outside organization is making the payment, that payment must be received prior to the child attending camp.
- If you would like a receipt or statement of any/all monies paid, please log on to our online portal, CampSite.
- No refunds will be issued, only a credit to your account.
- There is a 3% fee for all credit card transactions.

### **Child Care Reimbursement Forms**

If you have forms that need to be filled out for tax deductible childcare, please drop them off in the morning so they can be ready for you to pick them up at the end of the day at the camp front desk.

**Federal Tax ID Number: # 831998620**

### What should campers wear to camp?

- We recommend comfortable, lightweight clothing to be ready to participate in all activities.
- Camp t-shirts are not required to be worn to camp, **unless your child is going on a Field/Swim Trip, where it is mandatory. If you forget yours on the day of the trip you can purchase an extra one for \$9.00 at the Front Desk.**
- Campers are not permitted to wear clothing that is too tight or too revealing.
- Socks are required when campers are Skating or playing in the FunZone.

### What should campers bring to camp?

Your child should bring a backpack to camp each day with the following items:

- Healthy snacks
- Lunch (you can also purchase lunch at the camp for \$8.00)
- Bathing suit and towel (on Swimming Trips , Field Trips with Water, and Splash Days)
- Sunscreen (please put name on it)
- Complete change of clothes (required for all PK and K campers)
- Socks (your child cannot skate or play in the FunZone without socks)!
- Sneakers/close-toed shoes (campers are required to keep their shoes on **all day** except when playing in the FunZone, Skating, or while Swimming.)
- We have rollerblades and roller skates available for campers to use at no additional cost.

Please be sure all items brought to camp are clearly labeled with your child's full name and please remind your child to keep close track of all items. Each camp group is designated a cubby area to store their belongings. Except for PK and K campers, it is your child's responsibility to keep track of all his/her belongings, including their shoes!

### What are campers **not** permitted to bring to camp?

- Gum
- Glass bottles
- Medicine in their bags
- Video games/tablets/watches/phones ([Click here for our new cell phone policy](#))
- Expensive toys or any other items such as "Slime"
- Pokémon/trading cards

**Your child is not permitted to bring a cell phone/watch/tablet to camp. We have phones here that they can use to call you at any time. If they do bring a phone/watch/tablet, it must be kept in their backpack.**

We will confiscate cell phones/watches/tablets from any camper seen with their phone. If your child's phone/watch/tablet is confiscated, it will be held at the camp front desk until the end of the camper's day. If this problem continues, your child will be prohibited from attending camp.

If you allow your child to bring any toys or games to camp, XL Sports World is not responsible for any items that are lost, damaged or stolen.

Please read our new [Cell Phone Policy \(Click Here\)](#)

## **Spending Money**

Your child is not required to bring in spending money; however, your child may wish to purchase food or snacks from our snack bar or vending machines. We encourage all parents/campers to hand in their spending/snack money to the camp desk where it will always be monitored by our staff. Campers who keep money in their camp bags do so at their own risk. Please note: the XL Summer Camp Staff will not be responsible for any money not kept at the camp front desk or money that is lost or stolen from a camper's bag.

Envelopes will be available at the camp desk during check in to store campers' spending money. Please write your child's name and grade on the envelope. Please instruct your child as to how you would like them to spend their money, as it is difficult for our staff to monitor what each camper is buying during Free Time.

## **PK and K Spending Money**

Each afternoon after a rest/quiet period, PK/K campers with spending money are taken up to the vending machines and snack bar by one of their counselors. If you would like your child to purchase a snack, please write on the envelope what you allow your child to purchase and leave it at the camp desk during check-in, so our staff monitor what they buy. Please be specific on the envelope. Do not tell a check-in staff member at check-in, as they most likely will not be the staff member with them during snack time.

## **Camp Rules**

- **Keep hands, feet, all objects, and all other body parts to yourself.**
- Be respectful to yourself, others, and camp property.
- Listen and follow directions.
- Foul language/name calling is not permitted.
- Treat all campers with kindness and respect.
- Always tell a staff member if something is wrong or if you are upset.
- Always be responsible for your personal belongings.
- Play fair and have fun!

If your child does not follow the camp rules, we will take the following actions:

- Staff will direct the camper to appropriate behaviors and remind them of the camp rules.
- If the behavior persists, the camper will be placed in time-out.
- Staff will fill out a discipline report. All discipline reports are reviewed by the Camp Administrator, or a Director and a copy is sent home.
- If a child's behavior is severe or at any time threatens the immediate safety of them, other campers, or staff, you will be notified and expected to pick up your child immediately. The camper will stay in the camp office until they are picked up.
- Continuous disruptive behavior may result in a suspension or expulsion from the camp.

If your child is suspended from camp, you are still responsible to pay for those days. You will not receive a credit/refund for any days during which your child is suspended from coming to camp.

If your child is expelled from the camp, you will:

- Not receive a refund for any days paid in the week of the expulsion.
- Not receive a refund for any other days paid in advance. You will receive a CampSite credit for these days.
- Still be able to send any siblings of the expelled child to camp. If you decide to remove any siblings from camp, you are still responsible for paying for all days/weeks the siblings were originally enrolled.

### **Camp Discipline Policy**

We understand children occasionally become upset and act out. Accordingly, we will make every effort to calm your child, redirect them and diffuse every situation. However, if needed, we will take the steps outlined below.

It is XL Summer Camp's goal to provide a healthy, safe, and secure environment for all campers. Campers are expected to follow the camp rules and to interact appropriately in a group setting. A discipline report is written for almost every incident. We do this so you are aware of the incident and can discuss it with your child. We cannot call every time a child is disciplined; however we will contact you during or at the end of the day for more serious incidents. We try to keep the lines of communication open so we can work together to help your child have a good day at camp. Please contact us with any issues at any time.

### **Triage - Injury/Illness**

If your child receives a minor injury (i.e. scrape, cut, bruise, bump, etc.) while at camp, they will be taken to the Camp Triage. The Triage Staff Member on duty will assess the situation and take care of any minor incidents. If the Triage Staff Member feels the incident warrants further attention, he/she will notify one of the Directors. The Director will determine whether the parents need to be contacted. We cannot call every parent for every minor bump or bruise, but we will contact you if we deem it necessary. Every illness/injury is written up on an incident report which a Director reviews, takes any necessary action, and takes it to the front desk so that you will receive this at check-out. You will probably get more of these than you would like, but we want you to know as much as possible about your child's day.

If your child becomes seriously ill or injured at camp, a Director will contact you immediately. If necessary, we will contact 911. If your child needs to go to the hospital before you can get here, a Director will accompany your child to the hospital and stay with them until you arrive. Once at the hospital, our staff will not authorize any medical treatment. The camper will be taken to Virtua Memorial Hospital in Mt. Holly, unless you request otherwise.

**If any of the following symptoms occur at camp, you are required to pick up your child within the hour:**

- Temperature over 100°F.
- Fever, coughing, or bronchitis
- Severe cold
- Difficulty or rapid breathing
- Severe pain or discomfort, including ear or throat
- Vomiting or Diarrhea
- Rashes that cannot be identified or have not been diagnosed by a physician
- Contagious diseases such as measles, chicken pox, mumps, roseola, pink eye, ringworm or impetigo

- Ear or Throat infections
- Unusual behavior (i.e. extreme lethargy, refusing food or drink)
- Detection of Head Lice

**Campers sent home from camp because of illness may not return to camp until they:**

- Are free of symptoms for 24 hours
- Are on the appropriate medication for 24 hours
- Have a physician's note stating they are free of symptoms and can return to normal activity.

**Medication**

**\*\*VERY IMPORTANT** - Please do not send your child to camp with medicine in their camp bag or pocket. This includes Tylenol, cough drops, inhalers and EpiPens. This can be harmful to your child and other children if the medication falls out of their pocket or camp bag or if it is needed in case of emergency. Please hand it in at the camp front desk so we can put it in our Triage and ensure it is available for your child. **The following also applies:**

- A [Medication Form \(Click Here\)](#) must be filled out and submitted when the medication is turned in at the camp front desk. Medication must be labeled and stored in the original container.
- Parents must provide any precautionary information specific to the medication.
- If you want us to give Tylenol to your child for headaches/minor ailments, please indicate this on the Health & Wellness section of the online portal, CampSite.
- You will be contacted by a director before Tylenol is given to your child.

**Policy on Illness and the Management of Communicable Diseases:**

- We are genuinely concerned with every camper's health and welfare. To prevent illness from spreading to other campers, do not send your child to camp when ill or possibly contagious.
- No refund/credits/substitutions will be made if your child is sent home sick.
- If your child becomes sick or injured, he/she will be taken to the Camp Triage. We do not have a nurse on duty; however, all camp staff over the age of 21 complete a course in CPR for the Professional Rescuer. All illness/injuries are reviewed by the Camp Administrator or a Director.

**Absence Policy**

It is not necessary to notify us if your child will be absent from camp. However, if your child has tested positive for COVID-19 or any other condition that is contagious, please notify us immediately.

If your child is absent from camp for any reason, there are no opportunities to make that time up. There are no refunds, credits, or substitutions for missed days due to illness, injury, or family activities.

**Absence due to COVID-19 and illness:**

The following policies apply in relation to COVID-19 and any other illness. No refunds will be provided where a camper tests positive for COVID-19 and must quarantine.

1. No refunds, credits, or make-up days will be provided for the first two missed camp days of any mandatory quarantine period.
2. If a camper is required to miss more than two camp days, then:

- a. The camper can select make-up days, subject to our availability. If make-up days are available (based solely on the criteria in 3.b. below) but the camper declines to select any make-up days, the camper will not receive a refund or credit.
  - i. For example, Camper X selected 15 days on the online portal, CampSite. During the summer, Camper X is positive for COVID-19 and is required to miss 4 camp days due to quarantine. Camper X is given the opportunity to select 2 make-up days, but declines. Camper X does not receive a refund or credit for the missed camp days.
- b. Make-up days may be unavailable where 1) camp capacity is full for all remaining camp days; 2) the quarantine period occurs at the end of the summer during the last days of camp; or 3) the camper has already selected all camp days on their Enrollment Contract.

Where make-up days are unavailable, any amounts previously paid for missed camp days (beyond the first two missed days) will be applied as a credit to upcoming tuition charges. If the camper has paid in full, a credit will be applied to the camper's camp account in our online portal, CampSite. \*\*No refunds will be provided.

- i. For example, Camper X has selected all camp days on the online portal, CampSite. During the summer, Camper X is possibly exposed to COVID-19 at camp and is required to miss 8 camp days due to quarantine. Make-up days are not available as Camper X already selected all camp days on their Enrollment Contract. Camper X would then receive a credit for 6 missed camp days towards their upcoming tuition charges, or a CampSite credit if they had already paid in full.
3. If a camper cannot attend a Field Trip due to quarantine, then:
  - a. Where possible, we will provide the camper with the entry ticket to the Field Trip destination. No refund or further compensation will be provided.
  - b. If this is not possible, we will apply the amount paid as a credit towards the camper's upcoming tuition charges. If the camper has paid in full, a credit will be applied to the camper's camp account in CampSite.\*\*
5. If for any reason the New Jersey or Burlington County Departments of Health make any changes to the operation of the summer camp or camp guidelines, such as requiring masks or cohorts, no refunds or credits will be provided to any campers who withdraw from camp as a result. Each camper will remain responsible for the number of days selected on the online portal, CampSite.
6. If for any reason XL Mount Laurel Summer Camp is shut down or otherwise unable to operate, no refunds will be given. However, we will apply any amounts paid for services we are unable to provide as a credit to the camper's camp account on the online portal, CampSite.\*\*

\*These policies apply only where a camper is required to quarantine due to possible COVID-19 exposure where the potential exposure occurred at XL Sports World Mount Laurel. If this occurs, you will be notified by XL Sports World Mount Laurel or the Department of Health directly. If a camper was exposed elsewhere and is required to quarantine, you will not receive a refund or credit for that day.

\*\*This CampSite credit will not expire and can be used towards any future XL Sports World program.

## DAILY OPERATIONS

### Camp Check-In

The check-in/check-out process is extremely important as it is our way of tracking the campers attending camp each day. Although we try to get campers checked in quickly, it does take a few minutes to greet and check-in each child. Please allow extra time in the morning to allow us to carefully check-in each camper and please be patient with our staff.

Camp Directors are available at the camp desk to answer any questions. You can stop by there before or after check-in.

### Check-In Procedures

- Camp check-in will begin at 7:00am.
- **All campers must be accompanied by an adult into the building** and to their respective grade level sign-in area. **NO ONE IS PERMITTED TO DROP OFF THEIR CHILD OUT FRONT OF THE BUILDING.** You must park in a designated parking spot and bring your child in to check-in. Please do not pull over in the coned off area.
- Your child will be asked their name, given a name tag, and they can purchase lunch.
- If your child is attending a Field Trip, staff will make sure they have their lunch and camp t-shirt with them. If not, staff will put them on the list for a packed lunch and your credit card will be charged \$8.00 for lunch or \$9.00 for a camp t-shirt.

### Before Care

Campers who arrive before 7:30am will remain in the front area of our facility. By 7:45am, all campers will be separated by grade level and will be on different surfaces(Turf Field, Wood, etc...) until 8:40am.

### Camp Roll Call

At 9:00 am, there is a camp-wide Roll Call. All campers gather on our Wood surface to take Roll Call and have our morning meeting with the entire camp. We use this time to get our campers excited about their day, go over important announcements, announce campers' birthdays, tell jokes, and listen to fun music as the campers prepare for their day. At this time Allergy Bands are given to campers with a food allergy or dietary restriction.

We conduct four(4) camp-wide Roll Calls (9:00am, 1:15pm, 2:45pm, and 4:15pm) every day to ensure the campers' safety. In addition, each grade takes roll before and after each period, every time they leave or arrive at a new surface or activity, and before and after lunch.

### Daily Schedule

After our morning Roll Call, campers who are attending Field Trips, Swimming Trips or Enrichment Programs are sent to their activity. All other campers begin their day by going to their first activity. Each grade has a schedule that consists of 45-minute periods. Each period, grade levels go to a different surface and participate in a different activity. Activities include sports, friendly competitions, Pictionary, Human Knot, Steal the Bacon, Wiffle Ball, Kickball, Bingo, Scooter, Gaga, Knockout, Hula Hoop Relay, Frisbee tag and hundreds of other games and activities. Every grade has at least 1-2 periods outside each day

(weather permitting). Our staff introduces new games daily to keep the campers interested and challenged. Our Master Schedule, located on the [website](#), shows where each grade is throughout the day.

### Electives

Campers in 1st – 8<sup>th</sup> grade can choose their activities during our two elective periods offered Monday - Thursday. During morning Roll Call, campers will be asked to select from a variety of activities offered to their grade that day. Arts & Crafts are offered Monday - Thursday during both elective periods, along with “Backyard Games” and group activities.. The options change every day to give our campers a chance to try new activities.

### Lunch and Snack

Grade	Lunch Time	Snack Time
PK/K/1	11:00	2:00 (1 <sup>st</sup> grade 3:00)
2/3/4	11:45	3:00
5/6/7/8	12:30	3:00
Enrichment Programs	12:30	3:00

- Lunch can be purchased for an additional fee of \$8.00. The menu is available on our website. Choices will include the main lunch or a sandwich (turkey/cheese, ham/cheese, peanut butter/jelly).
- The main lunch choice is available until 10:00am. Sandwich choice is available until lunch.
- In addition to the main lunch, we offer an unlimited salad, fruit, and pasta bar each day. The selections change daily and are included with lunch.
- Lemonade and water are available during lunch. Water is always available to campers throughout the day, and they are encouraged to drink often.
- Campers can bring their own lunch if they do not wish to purchase lunch.
- We do not have refrigeration or a microwave available for the campers. If your child brings a bagged lunch, please make one so it does not need to be refrigerated.
- If your child is still hungry after eating our prepared lunch, we suggest you send extra food in their backpack.

### Snack Time

All campers will receive a snack at snack time. Feel free to send in extra snacks for the afternoon snack period. Campers can also purchase snacks from the snack bar during Free Time in the afternoon.

### Food Allergies

On the Health and Wellness section of the online portal, CampSite, we ask you to list any foods that your child is allergic to. **We take these allergies very seriously.** We check every ingredient prior to serving any food to our campers. Campers with food allergies will be given a red wristband each morning at the first Roll Call. This band must be worn all day. **All campers with food allergies are seated at a separate table during lunch.** Please do not feel your child will be sitting alone as we have many campers with food allergies. This is for your child’s safety. Our staff will monitor everything your child has on their lunch tray to ensure safety for each camper.

If your child has a food allergy that requires an EpiPen, we request you have one we can keep on site for the duration of their camp weeks so in the event of an emergency we always have it on site and on Field Trips. **If your child has a SEVERE allergy, please contact the Camp Administrator directly to discuss any special needs. If at any time during the summer anything changes with their allergy, we ask you to inform us in writing of the change.**

### **Camp Special Days**

Our Camp Calendar and our Special Events documents include a description of all the Special Day activities and events we have planned for our summer camp program. Please encourage your campers to participate in these events by dressing up! These activities are fun for both the campers and counselors!

### **Special Guests**

Most Fridays we have a special guest from 3:30pm – 4:15pm. These are interesting, educational, and exciting new shows for our campers! These can be found on our Camp Calendar and our Special Events document on our website. We have several other special guests throughout the summer that are listed on the Camp Calendar such as a Petting Zoo for the PK/K campers and Brainwash Games and House of Games for our 1st - 8<sup>th</sup> grade campers.

### **After-Care**

During the after-care program from 4:30pm – 6:00pm, campers will be supervised by our staff. All campers must be picked up by 6:00 pm.

### **Camp Check-Out**

When parents arrive to pick up their children they will be asked for their child's name and grade. They will then be asked to show their ID. Parents are not permitted to enter the camp area(including the bathroom), unless escorted by a staff member. Your child will be called over the loudspeaker or by walkie talkie to get their belongings and come to the front. Please be patient as it may take a few minutes for them to get to the front.

Incident/Injury/Discipline Reports are given to you at check-out. If you have questions about any report you receive, please ask the check-out staff to page a Director to speak to you. We have over 500 campers per day and every Director does not know every incident/injury/discipline that happens to each child firsthand. They will, however, be able to investigate the issue and get answers to all of your questions.

### **Check-Out Policies:**

- All campers must be checked-out at the camp desk.
- **I.D. Please!** When picking up your child from camp, you will be asked to show photo identification. Our check-out staff does get to know the camp parents and you may not be asked for ID because they recognize you, but please bring it in case a new staff person is at the check-out desk. This is for the safety of your child.
- The only people who will be permitted to pick up your child besides the parents are those who are listed on your child's "Authorization for Child Release" form on the online portal, CampSite. PARENTS: YOU MUST ALSO PUT YOUR NAMES ON THE "AUTHORIZATION FOR CHILD RELEASE" FORM, TOO!

No one will be permitted to pick up a child without identification. THERE ARE NO EXCEPTIONS!

- To make changes to the “Authorization for Child Release” form, please access your online portal, CampSite or simply fill out the form located at the camp front desk. **Important Note: On the online portal, CampSite, please include both parents as “authorized to pick up” in addition to any others.**
- Campers returning from Field Trips must be checked out at the camp desk first, before they are released.
- All campers must be picked up by 6:00pm. If you are unable to pick up your child by 6:00pm please contact one of the authorized persons on your “Authorization for Child Release” Form to pick up your child. You will be charged a late fee of \$20 per camper for every 15-minute range in which you are late. For example, if you arrive between 6:01pm-6:15pm, you will be charged \$20 per child; if you arrive between 6:16pm-6:30pm, you will be charged \$40 per child, etc...
- If your child is attending additional programs at XL Sports World, they must check-out of Summer Camp to a person listed on your “Authorized to Release” form on CampSite.

### **PK/K Program**

PK and K make up our youngest camp groups. The PK group is for those campers who are 3½ years old by June 1, 2025, and all campers that have not yet attended Kindergarten. The K group is for campers who have just completed Kindergarten.

We realize the importance of creating a connected and caring camp community that makes a difference in the lives of our young campers. This is the reason we have designed a program for our PK and K campers. The program focuses on each camper’s integrated experiences. Each camp week has an overall theme with fun and interesting activities each day to support the theme. We hope your children become immersed in our weekly themes and daily topics using movies, stories and discussion, art projects, dancing, and playing!

#### **All PK & K campers:**

- Stay with their assigned group and counselors the entire day.
- Participate in all camp wide activities except for Electives and Free Time, and are always under the supervision of their counselors.
- Are in separate groups. Occasionally, they are together for a special event.
- Store their belongings in cubbies so the staff can monitor them.
- Have story time every day along with a short rest period. They are not required to nap but do need time to relax. Some campers fall asleep on the cots and mats during this time. If they are still asleep at the end, they are taken to our Triage Room to finish their nap.
- Have the option of skating on certain days of the week. We have skate mates to assist the campers that cannot skate. They skate in a small area on the wood surface.
- Have extra staff during lunch and snacks to assist them.
- Are always escorted to the bathroom by a staff member. Our staff will remain just outside the bathroom area with them.
- **MUST BE COMPLETELY POTTY TRAINED**; however, in the event of an “occasional” accident, we will assist them in cleaning up and changing their clothes.
  - All campers should have a change of clothes in their camp bag. If your child has an accident and does not have a change of clothes in their bag, they will have to wait in the Triage Room until you bring fresh clothing.
  - All campers should have their name written on EVERYTHING!

- All campers must wear or bring socks to play in the FunZone or to go skating!

### **Splash Day – PK & K Campers Only**

This takes place in our outdoor play area and includes sprinklers, a waterslide and small splash pools. The schedule for Water/Splash Day is as follows:

K: Thursday and Friday at 9:30 am

PK: Thursday and Friday at 10:30 am

Here are a few important items to remember to ensure your child has a fun time on Splash Day:

- PK and K campers must come to camp dressed in their bathing suits under their clothes.
- PK/K campers who do not come dressed in their bathing suits will not be able to participate in Splash Day, as it can take the entire period, even with assistance from our staff to change the campers and we do not want the other campers to miss any of the Splash Day activity.
- Campers must bring a change of clothes, water shoes or flip flops and a towel.
- After Splash Day is over our staff will assist the PK/K campers getting changed into their dry clothes.

### **5 Things We Did Today!**

All Pre-K and K campers/families, at check-out each day please check the big whiteboard at the front for a list of the "5 Things We Did Today!"

## **Swimming & Field Trips**

### **VERY IMPORTANT – PLEASE READ**

It is a huge undertaking preparing our campers for Field Trips. Campers not checked-in by 9:00am will not be permitted to attend the Field Trip that day. No Exceptions! We understand this can be upsetting for you and your child and it is also difficult for us to have to turn a child away from a trip. However, the safety of EVERY camper is always our main priority. Please leave early to ensure you arrive on time when your child is attending a trip, as traffic can be unpredictable. Always make sure you check your child's schedule before they come to camp, so they are prepared to go on the trip.

All campers must wear their camp t-shirt and bring their lunch and a snack on all Field/Swim Trips (with the exception of the Laurel Lanes Bowling Trips, Top Golf, and Dave & Buster's) Packed lunches are available for \$8.00 during check-in for campers attending a Field/Swim Trip. Extra t-shirts are available for \$9.00 at our front desk.

Lunch consists of ham/cheese, turkey/cheese or a peanut butter/jelly sandwich, chips, cookies and a juice box. You can purchase this the morning of the trip. Campers can purchase snacks from the snack bar after lunch if time permits.

**Swimming Location: Woodstream Swim Club , Marlton, NJ**

**Cost: \$18**

### **Schedule:**

**PK – 1st: Monday's and Wednesday's, plus the following Thursday's (6/26, 7/10, 7/24, 8/7)**

## **5th – 8th: Tuesday's and Wednesday's**

All campers will have an opportunity to swim two days a week. The Swimming Trip has an additional fee of \$18. This fee covers admission to Woodstream Swim Club and the bus. You can enroll your child in the Swimming Trips by selecting this on the online portal, CampSite. If you would like to add Swimming Trips weekly, you can do so, but they must be added on Wednesday before the following week. Campers will be supervised by our staff and the lifeguard staff while at the pool.

**PK & K campers** will only swim in the baby pool.

Campers in grades 1<sup>st</sup> – 8<sup>th</sup> grade use the larger pool.

**K Campers:** If you would like your K camper to swim in the larger pool, they must pass the swim test. Please check the box indicating you would like your child to be tested on the online portal, CampSite. K campers will not be allowed in the larger pool unless they pass the swim test.

### **Swim Test – K – 8<sup>th</sup> grade campers only**

Campers that have passed the test in prior years do not need to retake the test. All campers must pass a swim test if they would like to go in the deeper water or use the diving board. The test consists of swimming the length of the pool (approx. 30 ft.) and being able to comfortably treading water for 1 minute. The children do not have to know specific swim strokes, but they do need to show that they are able to swim safely. The test is conducted by the Lifeguard Supervisor at the Woodstream Swim Club and is also overseen by our Swim Director. All campers that attend the swim trips in 1<sup>st</sup> – 8<sup>th</sup> grades will have the opportunity to be tested.

Once a camper passes the test, they will be given a colored band each time they attend the Swimming Trip that allows them to go into the deeper water or use the diving board. If they do not pass the test, you will receive a notice and they must wait 30 days to retake the test. Occasionally, campers have off days due to being nervous about the test even though they can swim. If you feel your child should have passed the swim test but may have been nervous; please contact us and we will retest them again the next time they go. Campers that do not pass the test can swim in a roped off area that is 3 feet deep.

At the end of each day, our support staff will place any items that have been found in our building in the Lost and Found, so please check periodically for any missing items. All campers spend time outside each day, although rarely after 1:00 pm. You should also send your child to camp with sun protection such as SPF clothing, hats, and sunglasses. Our staff will assist the PK and K campers.

### Camper Birthdays

Campers who have a birthday while they are at camp will be announced during our morning Roll Call with a "Happy Birthday" by the campers and staff. If you would like to send in a treat to share with the campers in your child's grade during snack, contact the camp for a head count for that grade.

### Transportation

We use T&L Transportation Company for all transportation. We have used this company for close to 20 years. They are dependable and safe. All buses are equipped with seatbelts and all campers are required to use them.

### **Fire Drills**

Our staff conducts a fire drill every other week of camp on a different day and time. This is for the safety of the campers. These drills ensure we can get all our campers out of the building and accounted for very quickly in case of an emergency. In the event of a real emergency, we can get all campers safely out of the building and accounted for in less than three minutes. You will be notified as soon as possible in the event of a real emergency. You will not be permitted to check-in or check-out your child during a fire drill. We do our best to schedule them at times when we do not have many campers arriving or leaving. However, if you arrive during a drill, we ask you to please exercise patience. We will attend to you as soon as the drill has been completed and all children have been accounted for.

### **Parking Lot Safety**

- Please remember to be patient and cautious in the parking lot during drop off and pick up.
- The front spots are reserved for handicapped people and parents with infants in car seats.
- All other parents must park in one of the designated parking spots in our lot.
- Mt. Laurel Fire Department prohibits anyone from parking in front of the building.

### **One Final Note**

Our staff works extremely hard to get to know all our campers and to ensure every camper feels safe and cared for while in our care. Please always treat our staff with respect. With over 90 staff members working at the camp and 350 – 500 campers each day, it is impossible for every staff member to know everything about your child's day. Please ask to speak to the Camp Administrator or a Director/Assistant Director if you have something you would like to discuss about your child. We will always make the time to speak with you about your concerns and address every situation in a timely manner.

**I hope you found this to be ultra informative for your family. When in doubt about something, you can always refer back to this document as a great resource. Or, please don't ever hesitate to reach out to us!**
