

# 2024 - Daily Schedule

After our Extended Care (7:00am-8:40am), XL Summer Camp begins with a camp wide roll call at 9:00am. All of the campers gather on our wood surface to take roll call and have our morning meeting. We use this time to get our campers excited about camp, go over important announcements, and prepare the campers for their day. Once this is completed, campers who are attending field trips, swimming trips and sports clinics/enrichment programs are sent to their event. All other campers begin their day by going to their first activity.

Each grade has a schedule and consists of 45-minute periods. Every period, each grade goes to a different surface and participates in another activity/sport/craft/game. Games include sports, friendly competitions, Pictionary, Human Knot, Steal the Bacon, Wiffle Ball, Kickball, Bingo, Scooter, Knockout, Hula Hoop Relay, Frisbee tag and hundreds of other games and activities. Every grade has time to play outside (weather permitting). Our staff introduces new games daily to keep the campers interested and challenged!

The Master Schedule (below) is the surface schedule for each grade. This schedule may change slightly throughout the summer, but for the most part will remain as is. The activities are not listed on this schedule as they change daily throughout the summer. Many parents have requested to see our schedule, so we have attached it below.

Use these codes below to help understand the schedule:

- FZ: Fun Zone
- PR: Party Room
- PKR: Pre-K Room
- FW: Front Wood Surface
- BW: Back Wood Surface
- FG: Front Grass Surface
- BG: Back Grass Surface
- Out: Outside
- LG: Mezzanine (Our Upstairs Lounge Area)
- PR: Party Room
- FR: Front Area

As campers switch to a new surface, they begin a new activity period. Campers that do not want to participate in the game that the group is playing are encouraged to try it for 20 minutes and then are offered an alternative activity.
